

Thank you for your interest in Property Power.

We are a small family run Letting Agents, open since 2002, based on the outskirts of Northampton Town Centre. We specialise in managing individual residential properties for Landlords, all the way up to large property portfolios.

We pride ourselves on our attention to detail and understand that each Landlord has individual needs which can be adhered to. We are not a corporate high street business therefore are able to have more attention to detail that the larger agents may not have.

If you do choose us to either fully manage your property or even find a tenant as a Let Only, we market all of our properties on [www.rightmove.co.uk](http://www.rightmove.co.uk), our website [www.property-power.co.uk](http://www.property-power.co.uk) and our Property Power Facebook page.

Please have a look through this prospectus and let us know if you would like us to come out and value your property.
